TUSHAR CHOUDHARY

+91-7840013346 tusharchoudhary012@gmail.com https://cha0ticdev.github.io/Portfolio-Website/

PROFESSIONAL SUMMARY

Aspiring Software Development Engineer with hands-on experience in Java, Python, and backend development. Built projects involving Spring Boot, image analysis, machine learning, and data-driven applications. Interested in building practical software solutions and improving problem-solving skills through development and DSA.

TECHNICAL SKILLS

Programming Language-Java, Python
Tools & Backend -JDBC (Basic), MySQL, Spring Boot (Fundamentals), Git, GitHub, VS Code
Other Skills -Problem Solving, Data Structures and Algorithms, Cybersecurity Fundamentals

PROJECTS

Smart Warehouse — Java, Spring Boot, MySQL

- Built a backend application for managing and locating inventory items in a warehouse.
- Implemented product and inventory management features using Java and Spring Boot.
- Added backend APIs for searching and managing warehouse inventory.

Digital Document Tamper Detector — Python, OpenCV/PIL, Tkinter

- Built a Python-based document image analysis tool using AI-assisted development for code exploration, debugging, and feature refinement.
- Used PIL, NumPy, and image-analysis techniques to identify unusual regions in digital document images.
- Developed a Tkinter interface to visualize analysis results and highlighted anomaly regions.

Employee Attrition Prediction System — Python, Machine Learning

- Built a machine learning project to analyze employee data and study factors related to employee attrition.
- Performed data preprocessing and analysis using Python libraries.
- Trained a machine learning model to predict employee attrition from available employee data.

EXPERIENCE

Cybersecurity Intern – GPCSSI (2025)

- Worked on cybersecurity fundamentals and threat identification
- Assisted in analyzing phishing and security threats
- Documented findings and security observations

ACHIEVEMENTS

- Solved 80+ DSA problems on coding platforms
- Completed 9 months ML & AI course from masai IIT Mandi

CERTIFICATIONS

- MASTERCARD CYBERSECURITY VIRTUAL EXPERIENCE – FORAGE (2025)
- ARTIFICIAL INTELLIGENCE & MACHINE LEARNING PROGRAM
- ETHICAL HACKING WORKSHOP – IIT DELHI RENDEZVOUS (2024)

EDUCATION

- B.TECH-KRISHNA ENGINEERING COLLEGE | AKTU
- 12TH-FATIMA CONVENT SR. SEC. SCHOOL
- 10TH-FATIMA CONVENT SR.SEC SCHOOL
